Gettysburg 'Mecca' Now For Air Tourists

Gettysburg airport Sunday had an unscheduled "air show."

Attendees at the airport, expecting the normal amount of business were startled when 14 airplanes containing about 40 people glided down on the landing field. The private pilots said they were from Bloomsburg. They had been thinking about some place to which to make a Sunday flight they said. Gettysburg, with its battlefield was chosen.

Taxis were secured from Gettysburg and the group got underway by car when 17 more airplanes arrived. This time those in the planes said they were private pilots from Pittsburgh. They had always wanted to see the battlefield, they explained, and got together for a flight here.

Airport attendants, pleased to see the crowd, expressed the hope other groups of private pilots will adopt the idea.

The Commonwealth of Pennsylvania has no plans at present to construct a new highway which would by-pass Gettysburg, the Chamber of Commerce was told Monday night in a report given to its regular meeting of the board of directors by State Senator Donald P. McPherson and Republican County Chairman John H. Baschore.

Senator McPherson and Chairman Baschore went to Harrisburg Monday and conferred with Ray P. Smock, secretary of highways, at the request of the Chamber of Commerce, following reports that the state had surveyed and intended to construct a new highway from McKnightstown north of Gettysburg to the east.

Baschore said that he was assured by Smock that there were no plans now to construct such a by-pass, but that he could not say what a future state administration might do.

HAEFNER HURLS ONE-HITTER AS NATS WIN 8TH

(By The Associated Press)
Bill Vecek, dynamic head of the world champion Cleveland Indians, may have pulled "the boner of the year" when he preferred Early Wynn to Mickey Haefner in the tribe's five-man winter deal with the Washington Senators.

Haefner didn't add to Vecek's joys yesterday when he pitched the Senators to a brilliant 1-0 shutout over the Indians in Cleveland. The little lefthander allowed only one hit—a first inning single by Larry Doby—as the amazing Nats rang up their eighth consecutive victory and their third in a row over Cleveland.

Haefner would be pitching for the Indians today had not Vecek been scared off by his advance age of 36 and his unimpressive 1948 won and lost record of 5-13.

Although Mickey's lifetime record is below .500. He is a .667 pitcher against Cleveland. Including yesterday's triumph, he has beaten Cleveland 16 times while losing only eight.

Doby was the only Cleveland batter to reach third. In addition to his single, he got on base in the ninth when he was hit by a pitched ball. Four others reached base, all on walks. Haefner did not strike out a batter.

The victory, coupled with Philadelphia's triumph over the Chicago White Sox, left the Senators and Athletics tied for fourth place in the American League race at an even .500 percentage.

Hal Newhouse, Detroit's sterling southpaw, had a no-hitter until the fifth when the New York Yankees raked him for two runs and went on to knock him out of the box in the ninth inning to defeat the Tigers, 6-1. The victory increased the American League leaders' margin over the Tigers to four games.

Allie Reynolds went the route for the Yanks to register his third victory against one defeat. He received strong batting support from Tommy Henrich, who blasted a two-run triple, and Jackie Phillips, who hit a bases-loaded single. Johnny Groth of Detroit went hitless for his third straight game.

Yogi Berra, Yankee catcher, was hit on the head by a thrown ball during infield practice before the game. He was taken to a hospital where x-rays showed no fracture. He accompanied the team to Cleveland.

Gerry Priddy batted in both runs.

Walcott's Manager Gets Penna. Pardon

Harrisburg, Pa., May 11 (AP)—The manager of heavyweight fighter Joe Walcott has been pardoned from a 1932 jail sentence in Pennsylvania. Gov. James H. Duff granted the pardon to Felix Bocchicchio yesterday on the recommendation of the State Pardon board. Bocchicchio had sought the pardon from a conviction in Northumberland county on a charge of jail breaking.

Bocchicchio's attorney, G. Harold Watkins, Frackville, Pa., previously told the pardons board his client needed a pardon to qualify for a fight manager's license.

Watkins said Bocchicchio was arrested December 5, 1930, on a charge of felonious assault and robbery. While awaiting trial, he escaped from Northumberland county prison.

Watkins said, and received a one to two year prison sentence on a jail breaking charge. Bocchicchio later was acquitted of the felonious assault and robbery charge.

Dopesters Ponder On Derby Winner

Baltimore, Md., May 11 (AP)—How did Ponder do it and can he do it again?

Those two questions—asked in one breath—stood out today among the buzz as Baltimore started to warm up for Saturday's 73rd Preakness at Old Pimlico.

Ponder's arrival yesterday brought on a rash of post-mortems over the Kentucky derby in which the Calumet colt came out of nowhere to win. Everyone seeking an explanation for the upset was searching at the same time for a line on the Preakness.

Even Calumet trainer Jimmy Jones is still "pleasantly surprised." Jimmy admitted that in Florida he didn't think "Ponder was much." And he didn't even bother to go down to Louisville last Saturday.

Ponder came up from Kentucky with Greentree stable's Capot and Mrs. Ada L. Rice's Model Cadet. That put all probable eight starters on the grounds except King Ranch's Curander, expected today.

Michigan Tackle Signed By Colts

A potential successor to Lee Artoe has been signed by the Baltimore Colts. It was learned today, with the announcement by Head Coach Cecil Isbell that Ralph Kohl, husky Michigan tackle, has come to terms with the Baltimore football club.

Two inches shorter than his predecessor but packing the same 230 pounds on his compact frame, Kohl was first string right tackle for Benny Osterbaan's undefeated Wolverines in 1948.

The signing of Kohl, who was high on the list of Baltimore draft choices, brings to five the number of tackles already on the list for training camp at Westminster in late July. He represents the 26th man to return a signed contract to the "hoses" and is the 13th rookie to fall in line.

Sports Roundup

New York, May 11 (AP)—Casey Stengel, baseball's leading exponent of the two-platoon system, is likely to have a difficult time whittling his squad down to the required 25 players by May 19.

He wants to keep on changing the Yankee lineup according to the pitching it faces, even though four of the five games, the Yanks had lost up to yesterday were against southpaw pitching, while a lefty started the other one.

Cleveland's Dale Mitchell, who has been tabbed for a couple of seasons as possibly one of the all-time great hitters, apparently is out to prove it this season. . . . Dr. Cary Middlecoff, now the second-ranking

money winner on the pro golf circuit, tabs Lloyd Mangrum as the player to beat in the Goodall tournament starting tomorrow. Cary figures a month's layoff will help the kind of game Mangrum plays.

GOOD NEIGHBORS

Billy Sheridan, veteran Lehigh wrestling coach, dropped into Athletic Director Percy Sandler's office the other day to inquire about the 1949-50 schedule. . . . "It's just been completed," Sandler told him, tossing over a list that showed matches against six of the toughest teams in the east within three weeks. "What do you think of it?" . . . As he turned to leave, Sheridan replied: "They're all nearby."

CO. CHRISTIAN YOUTH COUNCIL HOLDS MEETING

The executive council of the Adams County Christian Youth Council held its first regular meeting on Sunday afternoon in the Gettysburg Reformed church. Representatives from five of the six districts were present.

The devotional service was led by Carol Dolly and Linn Kepner, who are delegates on the executive council from the Second district. Mr. Kepner is also the treasurer for the county council. The theme for the devotions was "Taking the High Way."

The president, William Slee, reported that a letter had been sent to each pastor in the county, in which the program of the Youth Council was outlined and the support of the pastors was requested. It was also reported that the executive committee was in the process of arranging meetings with the officers of the six Sunday School districts, in order to explain the program and organizational set-up to them.

Delegates Report
The president explained the way in which, it was hoped, the districts would be organized. He emphasized the fact that a great deal of the burden of organization would rest upon the delegates to the executive council from each district. These delegates were urged to be faithful in their attendance, to seek the aid of the executive committee whenever such aid is deemed necessary, and to keep alert for opportunities to explain the purpose and program of a county Christian Youth Council.

The four delegates of the executive council to the state youth convention in Lewistown on April 29, 30, and May 1 gave reports of the convention. Ideas to aid in the organization of district councils were presented, as were also some projects for the districts once they become organized.

The executive council voted in favor of a motion to hold a county youth convention in the fall. The executive committee was instructed to begin laying plans for the convention, and to have a report at the next executive council meeting.

Before adjourning, it was announced that the next meeting would be on Sunday, July 10. The council decided to have a box social at that meeting, and tentatively decided on the South Mountain fair grounds as the place. Delegates will be notified by mail.

Mr. Smith was introduced by William G. Weaver, vice president of the fire department. An informal discussion of fire prevention and fire fighting problems followed his talk. He spoke earlier in the evening at the regular weekly dinner meeting of the Rotary club.

Local Man Named In Damage Action

An action in trespass was initiated in Adams county courts this morning by the filing of a complaint of Doris Marie and Charles W. Giessner, Shippensburg, against Rudy Koser, Middletown, against Rudy 217 Chambersburg street.

Giessner, 20 years of age, names his wife as his guardian for the suit. Attorney Daniel E. Teeter is representing the Giessners. According to the complaint both Mr. and Mrs. Giessner suffered injury when their car was struck by an auto driven by Koser and owned by Knox near Caledonia on the Lincoln highway November 13, 1948. They also seek damages for the destruction of their car and damage to their clothes and belongings in the collision.

Baseball Tilt Here Today Is Postponed

On Friday the Warriors will meet Chambersburg here. Last week the undefeated Trojans handed the locals their first setback by a 2-6 score at Chambersburg.

SET HOUR FOR RESUMPTION OF BERLIN TRAFFIC

Berlin, May 10 (AP)—At one minute past midnight Thursday flag-bedecked traffic will end the epic of blockaded Berlin. That's 5:01 p. m., E.S.T., Wednesday.

So far there hasn't been a hitch in final arrangements.

Gen. V. I. Chukov, Soviet commander in Germany, and the Western powers both have ordered that transport, trade and communication services between the zones resume at that time.

Things will revert back to the way they were on March 1, 1948, when the blockade began.

16 Trains Daily

Sixteen freight trains will move into the city daily. Highways will be open. The Soviet's won't—or at least say they won't—demand travel permits. They also say they'll not try to search Allied baggage. Mail service will be resumed.

Western Berlin's Mayor Ernest Reuter ordered the black, red and gold flag of the new West German republic be flown on street cars and buses. The Berlin flag will be draped over other buses which will speed to the West German cities of Hanover, Hamburg and Frankfurt.

The first day, 10 trainloads of coal and six others of fresh potatoes and consumer goods are scheduled to move into the city which has been supplied by the air lift for ten months.

Twelve thousand tons of supplies are to go into the city daily—just about the same figure the air lift reached on its best day.

While most of the world hailed the end of the blockade as a Soviet diplomatic defeat, the official Soviet army newspaper, Tagliche Rundschau, today called it an "unquestionable success of the policy of unity which was always pursued by the Soviet Union and the progressive forces of Germany."

The paper said that now that the Berlin blockade was ending, "warmongers" would make new efforts to split Germany—and claimed approval of the new West German democratic constitution marked such an attempt.

Three members of the 1936 New York Yankees—Ben Chapman, Bill Dickey and Red Rolfe—have managed major league teams.

Mrs. Harry O. Harner, Lumber street, will be hostess to the monthly meeting of the Alta Hummer missionary society of St. John's Lutheran church, Thursday evening at 7:30 o'clock. This meeting, originally announced to meet at the home of Pauline Tressler in Glen Rock, had to be changed on account of illness in the Tressler home.

Those who have not yet secured their tickets for Ray-Mond, the magician's show to be held Wednesday at 8 p. m., in the high school auditorium are asked to contact any member of the Ocker Snyder Post No. 321, American Legion or the following business places: Zarfing's and Renner Brothers Hardware, "Marvin's" cut rate and Stanley B. Stover, electrical appliance store. The post is sponsoring this show for the benefit of the building fund.

GIANTS' STAFF BIG SURPRISE IN WIN STREAK

(By The Associated Press)

One swallow doesn't make a spring and one week doesn't make a season. But during the past seven days the new York Giants have been as near perfect as a baseball club can be.

Here are some of the amazing feats accomplished by Leo Durocher's men—the team experts predicted would wind up an also-ran because the pitchers would give away more runs than the hitters could manufacture.

Including last night's handy 7-2 triumph over the Chicago Cubs, the Giants have won their last seven starts to take a game and a half lead in the National league race.

During that stretch, Giant pitchers have gone the route in all but one game. And in that one, Sheldon Jones, who went all the way last night was removed for a pinch hitter after allowing only one earned run in eight innings.

In six of the Giants' last seven games, Durocher has used the minimum nine men throughout. Only a pinch hitter and a two-inning relief job by Hank Behrman last Thursday marred a perfect week.

Four-Man System

The club has used a four-man rotating system on the mound throughout the season—Clint Hartung, Larry Jansen, Monte Kennedy and Jones. No other pitcher has started a game. This big four has allowed only 14 runs in the last seven games.

While holding the opposition to two runs per game, the Giants pounded enemy hurlers for 48 during the week.

Last night's homer hitters were Gordon (No. 7) and Marshall (No. 3). Righty was the big gun, however. He collected a single and double and drove in three runs.

Vern Bickford pitched the Boston Braves into second place, a game and a half behind the Giants, with a three-hit 4-1 triumph over the Pirates.

The Braves got eight of their 10 hits and three runs off Loser Murry Dickson, who also came back last night after failing to finish the first inning Sunday. Marv Rickert and Jimmy Russell paced Boston's attack with three and two hits, respectively.

In an afternoon affair, the St. Louis Cardinals snapped a three-game losing streak by thrashing the Brooklyn Dodgers, 14-5, to move out of the cellar. The loss dropped the Dodgers into third place, a half game behind the Braves.

Yankees Beaten

A pair of rookies—Eddie Kazak and Tommy Glaviano sparked the Redbirds' 15-hit attack against six Dodger hurlers. Kazak, the league's leading batter, rapped out a single and grand slam home run to drive in five runs. Glaviano drove in four mates with a single, double and homer.

The American league-leading New York Yankees, who have been surging through the west in old championship style, received a surprising 4-1 setback by the Tigers in Detroit. Young Ted Gray limited the Bronx Bombers to five hits to out-pitch Vic Raschi.

Dick Wakefield started the Tigers off on a three-run second inning by blasting Raschi's first pitch for a home run. Johnny Lipton's single with the bases loaded furnished the Tigers with two more runs. A single by Johnny Indell followed by Jack Phillips' triple spoiled Gray's shut-out bid.

All other American league teams enjoyed a day off. The scheduled night game between Cincinnati and the Phils in Philadelphia was postponed by rain.

Rain Again Halts Bullets, Diplomats

Rain again washed out the Gettysburg-Franklin and Marshall college baseball game here Monday afternoon.

Today the Bullets were scheduled to meet Mt. St. Mary's at Emmitsburg but showers brought a postponement. On Wednesday at 3 p. m. Western Maryland will be met here.

The team played four and two-thirds innings Monday when the umpires called a halt to the game. F. and M. tallied three times in the opening inning off Bill Brown but the Bullets took kindly to the offerings of Frostburg and secured a 7-4 advantage at the end of the fourth. The Diplomats scored four times in the top half of the fifth before the game was halted. Rain had started to fall in the third frame and from then on until the finish arguments and ruses to both delay and speed up the game by opposing players marked the abbreviated tussle.

See 10 Starters For Preakness Saturday

Baltimore, May 10 (AP)—The makings of a tight horse race for Saturday's Preakness is at old Pimlico today. The cream from the Kentucky Derby is on the grounds ready for the second leg on the triple crown.

Five of the 14 starters at Louisville have arrived and they're enough to assure a crack field for the Preakness.

All that remains now is for the outsiders to come in and determine the size of the field. The best guess now is that it will be around ten. Each starter will throw another \$2,000 into the overall pot, which now stands at \$101,870.

The train from Louisville today brought in Calumet farm's derby winner, Ponder, second place Capot, and Model Cadet, the seventh finisher last Saturday. They joined Palestinian, the derby show colt and fourth place Old Rockport, both of which arrived yesterday.

Eastern League

(By The Associated Press)

The Elmira Pioneers finally took over first place in the Eastern league but today they eyed the rapidly-rising Utica Blue Sox.

The Sox, who dropped their first four starts of the season, busted into fourth place last night. They scored six runs in the ninth to defeat Albany, 9-5.

That defeat combined with Elmira's power-packed 8-3 win over Scranton shook Albany loose from a first place tie. The Elmira's now have a full-game lead over Pinky May's second-place Senators.

In other action, Zeb Wicker pitched a two-hitter as Wilkes-Barre stifled Williamsport, 6-0, and Paul Lalpalmé southpawed Hartford to a 7-3 decision over Binghamton.

Interstate League

(By The Associated Press)

Relief hurler Jim Duffers stopped a Harrisburg rally after three runs had crossed the plate in the ninth inning last night as the Allentown Cardinals squeezed out a 7-6 decision and moved into fourth place in the Interstate League.

The Allentown-Harrisburg contest was the only game played in the loop last night. Trenton at York was rained out and the other clubs were all idle.

In losing, Harrisburg dropped into seventh place, only a half game out of the basement.

"CONNIE" MACK HAS PITCHING STAFF WORRIES

Chicago, May 10 (AP)—Connie Mack is worried.

A pitcher with a sore arm and a rookie hurler he almost shuffled off to Buffalo have produced the only victories scored by the Philadelphia Athletics in the west.

The log shows two victories and four defeats on the current trip. None of Mack's highly rated hurlers has finished a game since the team left Philadelphia.

Bobby Shantz posted one victory over Detroit earlier in the week with his brilliant feat of pitching nine innings of no-hit, no run ball in relief.

Desperate Move

And only 24 hours earlier, Shantz had been optioned to Buffalo in the International league. In fact, the little right hander's automobile still is parked under the grandstand of the Buffalo ball park. He left it there upon receiving a hurry-up call to rejoin the A's before ever donning a Buffalo uniform.

Then on Sunday, Mack showed his desperation over the pitching situation. He called on husky Bill McCahan who hasn't been able to get anybody out for two seasons because of a sore hip.

He pitched seven innings and with the help of a little relief work by a sore armed colleague, Dick Fowler, whipped the Chicago White Sox.

"Ask the Doctor"

McCahan, who as a freshman in 1947 pitched a no-hit, no run game against the Washington Senators, held the White Sox to two runs and six hits in his seven innings of work. He had good stuff all the way and now figures prominently in Manager Mack's future pitching plans. He stepped aside in the eighth for a pinchhitter.

Meanwhile, Mack is mulling over the failure of Carl Scheib, a 15-game winner in 1948; Phil Marchildon, on the shelf with an aching shoulder and Fowler with his burr-stus.

The only regular pitchers the A's really can count on are Joe Coleman and Lou Brissie. While Coleman has lost three games he has showed good stuff and Brissie has been beaten but once in four starts.

Mack has a stock answer for sports writers who telephone for his probable pitcher.

"Ask the doctor."

Sports Roundup

By HUGH FULLERTON, Jr.

New York, May 10 (AP)—Tommy Deckard, Drake U. track coach, is plugging Wisconsin's Don Gehrman as "the greatest middle distance runner this country has produced."

Could be he's plugging his own Drake relays, where Gehrman ran a 1:49.5 half mile and then came back less than an hour later to do a 4:13.1 mile. . . . But Deckard claims Glenn Cunningham, Don Lash and the other good ones never could accomplish a double like that.

Herman Barron, winner of the Goodall round-robin golf tournament at match play last year, figures it will be tougher than ever this week when scoring is on a medal basis. He points to a seven he had on one hole, which lost him only three points where it would have been five on the medal scoring. . . .

In a college tennis match last week, Captain John Penn of Cornell beat John Bucknell of Princeton. . . . You'd never see that kind of confusion at Cape Girardeau Teachers'.

BLOTT ON HIS ESCUTCHEON

A husky lineman was limping away from a rugged scrimmage session at Michigan this spring when Line Coach Jack Blott spotted him.

"What's the matter, son? Legs bothering you?" Blott asked sympathetically. . . . The kid clutched his limbs and replied: "Yeah, the muscles are all sore along the back here." . . . "That's strange," Jack tut-tutted. "I was watching you. You couldn't have got it from charging up so many times after that little guard knocked you down."

END OF THE LINE

Guys who saw Art Houtteman pitch batting practice for the Tigers Sunday—his first workout since he was injured in Florida—figure the kid will be in there pitching ball games before very long. . . . Tommy Phillips, who has been hitting at a terrific rate for the University of Virginia's baseball team, isn't interested in professional ball. An honor student in a business course, Tommy expects to go into business.

The U. of Md.'s 450-pound bronze terrapin mascot, which has been swiped 22 times in two years, will be cemented firmly in position in front of the Coliseum. . . . Seems unfair to deprive opponents of the exercise they got lugging him around.

Tonight's Games

Weather permitting, the Community Softball league will stage its first games this evening. Rain forced postponement of the scheduled openers Monday evening.

Tonight's games are: Lentz Legion vs. Stanton Legion, 6 p. m.; Elks vs. Moose.

Batting—Eddie Kazak, Cardinals, drove in five runs with a single and grand slam home run to lead the St. Louis Cardinals to a 14-5 triumph over the Brooklyn Dodgers.

Pitching—Ted Gray, Tigers, limited the American league-leading New York Yankees to five hits in pitching Detroit to a 4-1 victory.

Sport Shorts

New York, May 10 (AP)—The top ten hitters of the National league presented a strange sight today. . . . With the exception of Shortstop Alvin Dark of the Boston Braves and not counting Rookie Eddie Kazak of the St. Louis Cardinals, none of the group finished in the charmed .300 circle last year.

Kazak, the infielder with the plastic elbow on his throwing arm, is the batting surprise of the league. Through games of Sunday, May 8, he topped the circuit with a .389 batting average. He cracked out 21 hits in 54 times at bat. That does not include the grand slam homer he hit in Brooklyn yesterday.

Chicago, May 10 (AP)—Two rookies, Detroit's Johnny Groth and Chicago's Gus Zernial, are carving the biggest figures in the American league hitting column.

Groth had the top batting mark of .381 among players with 50 or more times at the plate. Zernial was third with .354. He also had notched the most doubles, eight, and had bagged the most hits, 28, along with Hank Majeski and Sam Chapman, both of Philadelphia.

Boston's veteran outfielder, Dom DiMaggio, was second among the busier batters with .365. Groth and DiMaggio had been up 63 times and Zernial 79.

Chicago, May 10 (AP)—The Philadelphia Athletics probably have lost the services of Veteran Catcher Warren (Buddy) Rosar for two weeks.

Rosar left the team here last night to return to Philadelphia for treatment of a torn knee cartilage. He suffered the injury to his left knee in the A's 3-2 win over the Chicago White Sox in the second game of Sunday's double-header during a homeplate collision with the Sox' Gordon Goldsberry.

Kansas City, May 10 (AP)—After sixty-four years of trying Kid Nichols has scored that "perfect game."

That's the way Charles (the Kid) Nichols, one-time pitching great of the Boston Nationals, feels about his nomination to baseball's hall of fame.

"That makes it perfect for me," the 79-year-old Nichols commented today as he accepted congratulations on joining the all-time list of 56 recipients of the honor.

Phil Pesco, brother of Santa Clara Basketball Coach Ray Pesco, coached his Olympic Junior college quintet from Bremerton, Wash., to a 32 won, two lost record this year.

RESUME TALKS
IN FORD DISPUTE

Detroit, May 11 (AP)—Ford and the CIO United Auto Workers went back to work today on their stubborn speed-up dispute. Without any outward signs that a settlement was near, the company and union resumed negotiations on the seventh day of a strike of 65,000 men.

Other thousands, both in Ford factories and supplying plants, are also idle.

The union charges Ford with a 10 per cent production rate increase at the Rouge assembly and Lincoln-Mercury plants. Ford says it has increased its manpower to compensate this. The union disagrees. Yesterday's negotiations were adjourned without any announced progress.

For a time a picket line of about 75 men marched at the building where company and union officials were negotiating. UAW President Walter Reuther said it was a demonstration "engineered by Communists." Some pickets carried signs saying "Speed-ups are all over Rouge." Reuther, however, said the demonstration would be disregarded.

LOSES \$32; FINDER Bets Money On Race

Philadelphia, May 11 (AP)—Just as a matter of curiosity, Bernard Goodis wishes he knew the name of the horse he lost \$32 on—without making a bet.

Goodis lost his wallet containing \$32 several days ago. The next day, he told police, he received the empty wallet and a note in the mail.

"Next time you lose your wallet," the note read, "make sure you have more money in it and have a better wallet or I will not return it again. I put your money on a horse and if it pays off, I will return your \$32."

Apparently the horse didn't win. Goodis hasn't gotten his money back yet.

The dog, Chubby, jumped into the fray when he saw his master, Jackie Strickler, four, being mauled by a larger dog. Chubby fought the dog until family members rescued the child. Jackie is in fair condition at a hospital where attaches said one ear was torn off and a facial nerve paralyzed. The boy's grandmother said the large dog suddenly attacked the boy while the two were playing in the yard.

YOUTH HELD AS GIRL'S SLAYER

Roanoke, Va., May 11 (AP)—Lee Scott, 16-year-old Eagle Scout and church choir member today faces a charge of murder in the church slaying of Dana Marie Weaver, 16-year-old schoolmate.

Detective Capt. Frank H. Webb, in an unprecedented press conference last night, announced simply that Scott had been charged in a warrant signed by Police Judge S. R. Price.

"That is all that I can give you at this time," Webb said. He added that he wished he could give more, that the case was "one of the worst since I have been in the department."

Webb, however, did tell reporters that Scott had directed police to an alley where a coffee sack missing from the church was found. He said Scott also told them where they could find his clothing, which police later found darkly stained. They believed the stains are blood. A broken pop bottle was found in the coffee sack.

Dana Marie's body was found Monday morning by the janitor of Christ Episcopal church in the church kitchen. There were signs of a desperate struggle by the girl. Her fingernails were broken and two pop bottles, one of them smashed, were on the floor.

Police said the girl apparently had been clubbed to death with a bottle.

Protestants Plan New Newspaper

Kansas City, May 11 (AP)—Protestantism prepared today to rally behind its first all-denominational newspaper for a united voice in a bid for worldwide spiritual leadership.

The groundwork for establishment of the newspaper has been spaded by 200 Protestant leaders here for that sole purpose.

They were told last night it was up to Protestantism to shoulder the responsibility of a worldwide spiritual revival.

Dr. Robert W. Searle of the Protestant council of New York city

added, however, that first Protestantism needed unity of voice and the best way to get it was through a newspaper controlled by all denominations.

"There is no more imperative need in American Protestantism," he said, "than the need for a national Protestant newspaper."

Steps were taken yesterday to buy a privately-owned Protestant newspaper, under plans it would be converted into an all-denominational publication, the first of its kind in Protestantism.

The newspaper, now known as the Protestant Voice, would be moved from Fort Wayne to New York with the all-denominational control to begin about the first of the year.

Plan Scholarship In Kathy's Name

San Marino, Calif., May 11 (AP)—The heroic man who participated in the Kathy Fiscus rescue effort may assign their shares of the \$40,000 rescue fund to a scholarship in the memory of the little girl.

Letters have been sent to the 100 men describing the plan. They were written by Raymond A. Hill, engineer in charge of the 52-hour rescue effort which resulted in bringing the three-year-old girl's body to the surface after she had fallen 100 feet into a 14-inch well casing April 8.

Hill said the plan for a scholarship fund at Claremont college, Pomona, Calif., stems from wishes of 20 to 30 of the rescuers who said they'd prefer their shares of the rescue fund go to some cause to perpetuate Kathy's memory.

Today's Talk

By GEORGE MATTHEW ADAMS

THE URGE WITHIN

In the reading of people who have been successful in life, often it is stated that environment had much to do with it, or indeed the influence of other strong minds, or any number of other statements, but I believe that it is the urge within one, more than anything else that spurs one to a successful and happy life.

John Buchan, in his life of Sir Walter Scott, brings out this point. He said it was "the fashion to repeat that it was Scott's weak leg alone that made him a writer, that otherwise he would have followed the profession of arms." Then he follows this statement by these words: "He might have been a soldier, even a great soldier, but he would most certainly have been also a writer; for the instinct to express his thoughts and moods in words was in the fibre of his being."

There you have it. It is the urge within, God-given and created within one at birth, that elevates and inspires us to the tasks that give us the most satisfaction and which lead more surely to greatness.

I can advise no one to be a writer, a lawyer, or a musician. The urge within has to settle such a move. I once wrote a brief piece about the triumph of Admiral Peary in the discovery of the North Pole. People questioned its value, but I wrote that Peary had done something that had never been done before, "for the pure pleasure of having done it." Peary saw that article in the Detroit News, clipped it, and in a personal note wrote this: "You have hit the nail squarely on the head!"

Kenneth Roberts, whose fine historical novels are permanent assets to American literature, has recently written a book, which he has called "I Want To Write." In it he emphasizes no easy road to fame, for his has been a long, thorny path, but it was that urge to write that has so perfected his style and left a trail of books both worthy and substantial.

In my youth I came in contact with a Chicago engineer, Bion J. Arnold. We had many a talk. One day he told me it was this urge within, this determination to strive "until it hurt" to which he attributed his great success—and he was a great success!

Tomorrow Mr. Adams will talk on the subject: "Greatest Hobby of All."

"ONLY TWENTY DOLLARS"

When the printed price I see,
Tell me, grammar scholars,
Is it proper this should be:
"Only twenty dollars?"

How does "only" strike me, then,
Pleasing or offensive?
If I can afford but ten,
Twenty seems expensive.

"Only twenty dollars!" What
Reason so to board it.
Twenty dollars are a lot
When I can't afford it.

Merchants, when but ten have I,
Thinking that is plenty,
There is nothing I can buy
Priced at "only twenty."

DUFF VETOES BILL; SIGNS MANY OTHERS

Harrisburg, May 10 (AP)—Gov. James H. Duff, for the second time in a row, today vetoed a proposal to require payment of benefits to attendants injured by institutional inmates.

"The bill carries no appropriation to meet its requirements; there is no estimate of any costs to the commonwealth which might arise, if this bill becomes law, and no method by which such costs could readily be estimated," Duff said in a veto message.

He asserted the measure would set up a preferred class of state and county employees "thereby possibly subjecting the bill to attack on constitutional grounds."

The measure would have provided for payment of full salary to state or county employees injured by any inmate, patient or prisoner in jail, prison, mental hospital or similar institution. Full salary could continue for up to a year.

Similar Veto Before
Duff noted, however, that the measure makes no provision for employees in institutions of the state health, public instruction, military affairs and other departments.

Two years ago, Duff vetoed a similar measure on much the same grounds.

Duff at the same time approved these new laws:
Require county agents of the state to deposit disputed funds with county courts.

Today's Talk

By **GEORGE MATTHEW ADAMS**

THE URGE WITHIN

In the reading of people who have been successful in life, often it is stated that environment had much to do with it, or indeed the influence of other strong minds, or any number of other statements, but I believe that it is the urge within one, more than anything else that spurs one to a successful and happy life. John Buchanan, in his life of Sir Walter Scott, brings out this point. He said it was "the fashion to repeat that it was Scott's weak leg alone that made him a writer, that otherwise he would have followed the profession of arms." Then he follows this statement by these words: "He might have been a soldier, even a great soldier, but he would most certainly have been also a writer; for the instinct to express his thoughts and moods in words was in the fibre of his being."

There you have it. It is the urge within, God-given and created within in one at birth, that elevates and inspires us to the tasks that give us the most satisfaction and which lead more surely to greatness.

I can advise no one to be a writer, a lawyer, or a musician. The urge within has to settle such a move. I once wrote a brief piece about the triumph of Admiral Peary in the discovery of the North Pole. People questioned its value, but I wrote that Peary had done something that had never been done before, "for the pure pleasure of having done it." Peary saw that article in the Detroit News, clipped it, and in a personal note wrote this: "You have hit the nail squarely on the head!"

Kenneth Roberts, whose fine historical novels are permanent assets to American literature, has recently written a book, which he has called "I Want To Write." In it he emphasizes no easy road to fame, for his has been a long, thorny path, but it was that urge to write that has so perfected his style and left a trail of books both worthy and substantial.

In my youth I came in contact with a Chicago engineer, Bion J. Arnold. We had many a talk. One day he told me it was this urge within, this determination to strive "until it hurt" to which he attributed his great success—and he was a great success!

Tomorrow Mr. Adams will talk on the subject: "Greatest Hobby of All."

"ONLY TWENTY DOLLARS"
When the printed price I see,
Tell me, grammar scholars,
Is it proper this should be:
"Only twenty dollars?"

How does "only" strike me, then,
Pleasing or offensive?
If I can afford but ten,
Twenty seems expensive.

"Only twenty dollars!" What
Reason so to board it.
Twenty dollars are a lot
When I can't afford it.

Merchants, when but ten have I,
Thinking that is plenty,
There is nothing I can buy
Priced at "only twenty."

DUFF VETOES BILL; SIGNS MANY OTHERS

Harrisburg, May 10 (AP)—Gov. James H. Duff, for the second time in a row, today vetoed a proposal to require payment of benefits to attendants injured by institutional inmates.

"The bill carries no appropriation to meet its requirements; there is no estimate of any costs to the commonwealth which might arise, if this bill becomes law, and no method by which such costs could readily be estimated," Duff said in a veto message.

He asserted the measure would set up a preferred class of state and county employees "thereby possibly subjecting the bill to attack on constitutional grounds."

The measure would have provided for payment of full salary to state or county employees injured by any inmate, patient or prisoner in jail, prison, mental hospital or similar institution. Full salary could continue for up to a year.

Similar Veto Before

Duff noted, however, that the measure makes no provision for employees in institutions of the state health, public instruction, military affairs and other departments.

Two years ago, Duff vetoed a similar measure on much the same grounds.

Duff at the same time approved these new laws:

Require county agents of the state to deposit disputed funds with county courts.

Authorize school boards to retire a teacher at 62 years of age; to establish agriculture schools; and to make reports on the costs of vocational education to the state.

Several Insurance Bills
Allow insurance companies to issue shares of stock to officers and employees with the approval of stockholders.

Permit an insurance agent to transfer from one company to another after five years' experience without taking a new examination and changing from November 30 to December 31 the license year for casualty, health and accident insurance agents.

SET HOUR FOR RESUMPTION OF BERLIN TRAFFIC

Berlin, May 10 (AP)—At one minute past midnight Thursday flag-bedecked traffic will end the epic of blockaded Berlin. That's 5:01 p. m., E.S.T., Wednesday.

So far there hasn't been a hitch in final arrangements.

Gen. V. I. Chuikov, Soviet commander in Germany, and the Western powers both have ordered that transport, trade and communication services between the zones resume at that time.

Things will revert back to the way they were on March 1, 1948, when the blockade began.

16 Trains Daily

Sixteen freight trains will move into the city daily. Highways will be open. The Soviet's won't—or at least say they won't—demand travel permits. They also say they'll not try to search Allied baggage. Mail service will be resumed.

Western Berlin's Mayor Ernest Reuter ordered the black, red and gold flag of the new West German republic be flown on street cars and buses. The Berlin flag will be draped over other buses which will speed to the West German cities of Hanover, Hamburg and Frankfurt.

The first day, 10 trainloads of coal and six others of fresh potatoes and consumer goods are scheduled to move into the city which has been supplied by the air lift for ten months.

Twelve thousand tons of supplies are to go into the city daily—just about the same figure the air lift reached on its best day.

While most of the world hailed the end of the blockade as a Soviet diplomatic defeat, the official Soviet army newspaper, *Taegliche Rundschau*, today called it an "unquestionable success of the policy of unity which was always pursued by the Soviet Union and the progressive forces of Germany."

The paper said that now that the Berlin blockade was ending, "warmongers" would make new efforts to split Germany—and claimed approval of the new West German democratic constitution marked such an attempt.

Three members of the 1936 New York Yankees—Ben Chapman, Bill Dickey and Red Rolfe—have managed major league teams.

Littlestown

Littlestown—The Women's Society of Christian Service of Centenary Methodist church previously announced for tonight at 7:30 o'clock has been changed to Wednesday at the same hour at the home of Mrs. Robert Crist, Centennial avenue, Hanover, to enable the members to attend "The Gettysburg Times" cooking school tonight.

Mrs. Harry O. Harner, Lumber street, will be hostess to the monthly meeting of the Alta Hummer missionary society of St. John's Lutheran church, Thursday evening at 7:30 o'clock. This meeting, originally announced to meet at the home of Pauline Tressler in Glen Rock, had to be changed on account of illness in the Tressler home.

Those who have not yet secured their tickets for Ray-Mond, the magician's show to be held Wednesday at 8 p. m., in the high school auditorium are asked to contact any member of the Ocker Snyder Post No. 321, American Legion or the following business places: Zerling's and Renner Brothers' Hardware, "Marvins" cut rate and Stanley B. Stover, electrical appliance store. The post is sponsoring this show for the benefit of the building fund.

Mrs. Leon H. Gage, chairman of the cancer drive for Littlestown has announced the following collections to date, all of which were received

by the members of Littlestown Girl Scout Troop No. 13, Mrs. Ethel Helwig, leader; Nancy Kerchner and Virginia Koonz, street collections, \$22.75; house to house canvass by the same, \$28.11; Patricia Spangler and Dawn Pettyjohn, \$13.40; Lois Sparver and Joanne Pringle, \$18.49; Phyllis Higginbotham and Darla Lemon, \$10.00; Barbara Motter and Alvina and Charolyn Groft, \$3.82. When the cancer films were shown at the high school, \$12.87 was received. The drive is to close at the end of this week. Anyone who still desires to contribute is asked to take or send their contributions to Mrs. Gage.

Windsor shoe factory has entered a team in the Littlestown softball league, making seven teams in the league instead of six. As a result of the addition of the Windsor team, there will be four games weekly instead of three, and a new schedule will be issued. Teams in the league now include: Harry's, Crouse's, Mystic Chain, Eagles, Redeemer's, Foundry and Windsor Shoe. Crouse's were scheduled to play the Mystic Chain on Monday night, but the contest has been postponed until Thursday, because of rain Monday night. To-

night the Foundry will play Harry's; Wednesday Windsor Shoe will play Crouse's, and Friday the Eagles' will play Redeemer's.

Home Coming and Memorial services will be held Sunday, May 29, in St. James Reformed church, along the Harney road, the Rev. Edward R. Hamme, pastor. A program featuring special music and speakers is being prepared, for both the morning and afternoon services. Friends and neighbors as well as former members are invited to attend. A picnic lunch will be enjoyed.

Bogeta, Colombia, May 10 (AP)—Floods in Ciudad Garzon caused "about ten" deaths and injuries to 50 other persons, a dispatch to the newspaper *El Liberal* reported yesterday. Damage was estimated at \$500,000. Flood waters leveled eight blocks, the dispatch said.

were \$761.65, leaving a balance of \$196.77 for the month. The net worth of the cafeteria as of May 1 was listed as \$3,979.39.

Efforts to secure someone to make a complete census of all children in the joint district from the cradle to age 17 have so far been futile, Mr. Keefauver reported. The joint committee voted to have each district conduct its own census if the board is unable to secure someone to do the entire job.

Need Census for Building
The census must be completed as soon as possible, Doctor Keefauver pointed out. "It looks like the state will give some help in building and we don't want to be last on the bandwagon if the proposed law is signed by Governor Duff. We'll need those census figures if we are to proceed intelligently with a building program."

Leo Riley, Cumberland township constable, who has been attendance officer for Cumberland for some years, was elected attendance officer for the entire joint area outside of Gettysburg borough at a salary of \$75 per year.

Only the superintendent, Dr. Keefauver, will be authorized to grant work permits starting after July 1, the committee decided. In that way all records can be kept together, it was pointed out. At present secretaries of most of the districts in the joint set-up issue the permits.

Open Supplies' Bids
The transportation committee will probably study the entire transportation system this year, according to a discussion by the executive committee. Members said, "We want to establish the shortest possible routes for all youngsters so they will not have to spend so much time traveling to and from school."

Authorization was given by the executive committee to the supplies committee permitting that group to let bids for coal and other supplies. The committee will meet this evening to open bids for coal and other essentials.

The property committee was authorized to erect a fence at the rear of the High street school building. The present fence has worn out, it was reported. The property committee will also look into the possibility of erecting a fence around the play area at Meade school to protect the children.

Scouts On Hike
Littlestown Boy Scout troop No. 84 enjoyed an Appalachian trail hike over the week-end, under the leadership of Edgar Wolfe, Alton Bowers and Luther D. Snyder. Paul Renner joined them on Sunday. The group left Saturday morning at 7 o'clock by bus from White's Garage, North Queen street, and were taken to Pine Grove Furnace. From this place they hiked north for a distance of over twenty miles to Brandtville. A point of interest visited on Saturday morning was Poles Steeple from where they could view the mountain creek valley. Luncheon was carried in their knapsacks which they ate at Tagg Run Lean-to.

They hiked until 4 p. m. Saturday and reached a point on highway route 94 near Mt. Holly Springs. Two trucks driven by Paul Hiltz and Cletus Rineman brought their equipment to this point, where they camped for the night. After camp was set up, they cooked their own supper. During the early evening they held a council fire of songs and story telling. Retiring at 9 p. m., some slept in tents and the others in the open air.

The broke camp Sunday morning and at 8:45, after breakfast, they traveled to the fire tower in the mountains, where at 10:45 they held Sunday school in charge of Alton Bowers. At 12:30, they ate dinner and left for the half way point of the trail between Maine and Georgia. Reaching Brandtville at 4 p. m., they were met by the bus and returned home early in the evening.

(Continued from Page 1)
 disasters," Smith said.

"Careless causes 74.86 per cent of all fires. The estimate is based on reports of 3,500,000 conflagrations during the past 10 years compiled by the national board of fire underwriters.

"Everyone has a stake in preventing fires," Smith said, "because of the great economic loss; as well as the loss in life. When fire destroys a home, industrial or business plant it simply removes from the economy everything that is burned and thus every one is poorer. Particularly bad is a fire in industry. Not only because of the loss in property damage, but the loss in unemployment and the danger of the industry moving out of the community."

He demonstrated the safety features of flameproof crepe paper and the advantages of nylon and pure silk, which do not burn, against rayon, which does burn.

He demonstrated the highly inflammable nature of fingernail polish and urged all housewives to carefully check the plastic aprons they purchase. Some, he pointed out, are highly inflammable while others will not burn.

Fifty-three attended the meeting including special guests Fire Marshal Eugene Sickles, Fire Chief James A. Aumen and Assistant Fire Chiefs Donald McSherry and Donald Jacobs.

Rotary members Attorneys E. Edward B. Bullett and Edgar K. Markley and Richard A. Drees furnished transportation for Hoffman orphanage youngsters to the movies Monday evening and provided ice cream for the youngsters after the show.

The Rev. Wallace E. Fisher was announced as a new member of the club.

SCHOOL BUDGET

(Continued from Page 1)
 out Monday night that while the list of expenditures as outlined in the proposed budget will probably stand, the receipts as listed for each district may be revised by the new state laws.

Next year's proposed joint expenditure is about \$50,000 higher than this year's \$236,000 but it marks the first time that all of the expenses are included in the joint budget. Increased teachers' salaries, as directed by new state legislation also caused an increase in the amount to be spent.

Last year each district handled the payment for its own transportation. Next year the transportation will be handled through the joint budget, thus increasing the joint budget by about \$24,000, but not actually increasing the cost to the taxpayers.

This year's expenditures for instruction totaled \$194,245, while the proposed budget for next year calls for expenditures of \$206,970, due to the mandated increase to be given teachers. The fixed charges were increased from \$2,109.50 to \$7,000 to take care of the increased retirement fund payments required by the new law.

Some of the figures were labeled as "pure guess" as the joint committee sought to compile figures which would permit establishment of a tentative budget and get the process underway by which the district will be able to adopt its budget in June.

Within the coming month the changes made by the Legislature should be evident, it was pointed out, and then the joint school boards will be able to proceed finally.

Whether the new budget will mean an increase in taxation for some districts was still problematical Monday night pending information on the new reimbursement laws.

Itemized Budget
 The proposed budget listed as expenditures: general control, \$10,400; instruction, \$206,970; auxiliary agencies, \$27,885.10, including transportation; operation, \$20,150; maintenance, \$10,460; fixed charges, \$7,000 and debt service, \$4,550, for a total of \$287,115.10. Receipts of the joint district were listed tentatively as:

Cumberland, \$47,355.50; Freedom, \$15,390.50; Gettysburg, \$135,786; Highland, \$9,460.50; Straban, \$57,001.50; tuition, \$15,300; tuition appropriation, \$3,188.67; vocational appropriation, \$4,520, making a total income of \$288,006.67.

State Appropriations
 The amount to be paid into the joint treasury by each district is based on the average daily attendance of students in each district.

Next year's amounts to be paid into the joint district are about double this year's amounts for each of the township boards. The increase is due mostly to the fact that next year the transportation will be paid through the joint treasury. This year each board paid its own transportation.

Just how much the state appropriation will be was not known but a "guesstimate" made last night gave the following figures as possible state appropriations: Cumberland, \$28,902; Freedom, \$9,558; Gettysburg, \$62,929; Highland, \$8,279, and Straban, \$33,205. The hope was expressed that the actual reimbursement will be higher than the figures listed.

Cumberland township learned to its pleasure Monday night that it has overpaid the amount it owes the joint district by more than \$9,000. That amount will be credited to the township for next year. The districts paid into the joint treasury sums as they appeared to be needed, and then when actual cost was determined the entire amount was prorated to the various districts. All of the districts, with the exception of Straban, learned they had some balance of overpayment. Straban, it was discovered, is \$4,967.64 behind in the amount it owes the joint board for the current year.

Emmitsburg 1ST COMMUNION FOR 22 SUNDAY

Twenty-two boys and girls, most of them seven years of age, received their first Holy Communion Sunday morning at the 8:30 o'clock mass at St. Joseph's Catholic church, Emmitsburg, with the pastor, the Rev. Francis Stauble officiating.

The girls were dressed in white with veils and the boys wore dark blue suits. The class, led by two angels, marched from the school into the church prior to the Mass. Two angels also followed at the rear of the group. The angels leading were Martha Jane Sherwin and Marian Hess and the other two were Ann Myers and Marie.

At the communion the children ascended the altar steps from the side of the altar, received Holy Communion and returned to their respective seats. After the mass they remained in church while the Act of Consolation and various other prayers of thanksgiving were recited by the class.

Mrs. Euphemia Rotering, church organist, played the professional and recessional. Special hymns were arranged and sung by the choir. Two solos, "Ave Maria," was sung by Mrs. George Brown and "O Lord, I Am Not Worthy," was sung by Stephen Burke, a student at Mount St. Mary's college.

A breakfast was served the children following the mass in the high school auditorium with Rev. Fr. Stauble, pastor, and Rev. Michael O'Brien, assistant pastor, as guests.

Those making their First Communion were, Carol Marie Brown, Jean Topper, Kathleen Welty, Charlotte Springer, Marie Sanders, Lois Myers, Antoinette Elliot, Barbara Keepers, Anna Marie Kelly, Patricia Kelly, Agnes Shriner, Jean Topper, Judy Ash, Marie Cool, Josephine Wetzel, Edgar Hobbs, John Michael Humerick, John Topper, Justin Wasilyski, Robert Eiker, Kenneth Simpson, Lawrence Johnson.

London, May 10 (AP)— Western Europe—hopeful that the uneasy peace of the last four years may finally be settling on a firmer foundation — Sunday marked the anniversary of V-E Day.

Russia and other eastern European countries observed the anniversary today—four years after Prime Minister Stalin's announcement that the fighting in Europe was finished.

"Carelessness caused 74.86 per cent of all fires. The estimate is based on reports of 3,500,000 conflagrations during the past 10 years compiled by the national board of fire underwriters.

"Everyone has a stake in preventing fires," Smith said, "because of the great economic loss; as well as the loss in life. When fire destroys a home, industrial or business plant it simply removes from the economy everything that is burned—and thus every one is poorer. Particularly bad is a fire in industry. Not only because of the loss in property damage, but the loss in unemployment and the danger of the industry moving out of the community."

He demonstrated the safety features of flameproof crepe paper and the advantages of nylon and pure silk, which do not burn, against rayon, which does burn.

Demonstrates Inflammables He demonstrated the highly inflammable nature of fingernail polish and urged all housewives to carefully check the plastic aprons they purchase. Some, he pointed out, are highly inflammable while others will not burn.

Fifty-three attended the meeting including special guests Fire Marshall Eugene Sickles, Fire Chief James A. Aumen and Assistant Fire Chiefs Donald McSherry and Donald Jacobs.

Rotary members Attorneys E. Edward B. Bullett and Edgar K. Markley and Richard A. Dreas furnished transportation for Hoffman orphanage youngsters to the movies Monday evening and provided ice cream for the youngsters after the show. The Rev. Wallace E. Fisher was announced as a new member of the club.

SCHOOL BUDGET

(Continued from Page 1)

out Monday night that while the list of expenditures as outlined in the proposed budget will probably stand, the receipts as listed for each district may be revised by the new state laws.

Next year's proposed joint expenditure is about \$50,000 higher than this year's \$236,000 but it marks the first time that all of the expenses are included in the joint budget. Increased teachers' salaries, as directed by new state legislation also caused an increase in the amount to be spent.

Last year each district handled the payment for its own transportation. Next year the transportation will be handled through the joint budget, thus increasing the joint budget by about \$24,000, but not actually increasing the cost to the taxpayers.

This year's expenditures for instruction totaled \$194,245, while the proposed budget for next year calls for expenditures of \$206,970, due to the mandated increase to be given teachers. The fixed charges were increased from \$2,109.59 to \$7,900 to take care of the increased retirement fund payments required by the new law.

Some of the figures were labeled as "pure guess" as the joint committee sought to compile figures which would permit establishment of a tentative budget and get the process underway by which the district will be able to adopt its budget in June. Within the coming month the changes made by the Legislature should be evident, it was pointed out, and then the joint school boards will be able to proceed finally. Whether the new budget will mean an increase in taxation for some districts was still problematical Monday night pending information on the new reimbursement laws.

Itemized Budget

The proposed budget listed as expenditures: general control, \$10,400; instruction, \$206,970; auxiliary agencies, \$27,685.10, including transportation; operation, \$20,150; maintenance, \$10,460; fixed charges, \$7,900 and debt service, \$4,450, for a total of \$287,115.10. Receipts of the joint district were listed tentatively as: Cumberland, \$47,355.50; Freedom, \$15,396.50; Gettysburg, \$135,786; Highland, \$9,460.50; Straban, \$57,001.50; tuition, \$15,300; tuition appropriation, \$3,186.67; vocational appropriation, \$4,520, making a total income of \$288,000.67.

State Appropriations

The amount to be paid into the joint treasury by each district is based on the average daily attendance of students in each district. Next year's amounts to be paid into the joint district are about double this year's amounts for each of the township boards. The increase is due mostly to the fact that next year the transportation will be paid through the joint treasury. This year each board paid its own transportation. Just how much the state appropriation will be was not known but a "guesstimate" made last night gave the following figures as possible state appropriations: Cumberland, \$28,902; Freedom, \$9,558; Gettysburg, \$62,929; Highland, \$8,279, and Straban, \$33,205. The hope was expressed that the actual reimbursement will be higher than the figures listed.

Cumberland township learned to its pleasure Monday night that it has overpaid the amount it owes the joint district by more than \$3,000. That amount will be credited to the township for next year. The districts paid into the joint treasury sums as they appeared to be needed, and then when actual cost was determined the entire amount was prorated to the various districts. All of the districts, with the exception of Straban, learned they had some balance of overpayment. Straban, it was discovered, is \$1,967.64 behind in the amount it owes the joint board for the current year.

Emmitsburg 1ST COMMUNION FOR 22 SUNDAY

Twenty-two boys and girls, most of them seven years of age, received their first Holy Communion Sunday morning at the 8:30 o'clock mass at St. Joseph's Catholic church, Emmitsburg, with the pastor, the Rev. Francis Stauble officiating.

The girls were dressed in white with veils and the boys wore dark blue suits. The class, led by two angels, marched from the school into the church prior to the Mass. Two angels also followed at the rear of the group. The angels leading were Martha Jane Sherwin and Marian Hess and the other two were Ann Myers and Marie.

At the communion the children ascended the altar steps from the side of the altar, received Holy Communion and returned to their respective seats. After the mass they remained in church while the Act of Consecration and various other prayers of thanksgiving were recited by the class.

Mrs. Euphemia Rotering, church organist, played the processional and recessional. Special hymns were arranged and sung by the choir. Two solos, "Ave Maria," was sung by Mrs. George Brown and "O Lord, I Am Not Worthy" was sung by Stephen Burke, a student at Mount St. Mary's college.

A breakfast was served the children following the mass in the high school auditorium with Rev. Fr. Stauble, pastor, and Rev. Michael O'Brien, assistant pastor, as guests. Those making their First Communion were, Carol Marie Brown, Jean Topper, Kathleen Welty, Charlotte Springer, Marie Sanders, Lois Myers, Antoinette Elliot, Barbara Keepers, Anna Marie Kelly, Patricia Kelly, Agnes Shriner, Jean Topper, Judy Ash, Marie Cool, Josephine Wetzel, Edgar Hobbs, John Michael Humerick, John Topper, Justin Wasilisky, Robert Elker, Kenneth Simpson, Lawrence Johnson.

Today's Talk
By GEORGE MATTHEW ADAMS

GREATEST HOBBY OF ALL

The longer I live the more am I fascinated with all Nature. What an open book is this Book of Nature! From boyhood it has intrigued me, but each year had added to my interest and love of all things in the open. Increasingly are there published books about birds—their habits, their calls and songs, and their kinship to each other of us.

Anyone can become a naturalist in his own right. And what a hobby it is—the greatest of all hobbies. To delve into it will bring relaxation, peace of mind, and an accumulation of interesting lore that will never leave one. Only recently I picked up at a second-hand book store a volume by John Burroughs, called "Squirrels and Other Fur-Bearers," that was published nearly 50 years ago—and all for less than the price of a cheap lunch!

From this Burroughs book I learned what I had never known before, and it has told me things to watch for among the animals described. Burroughs made himself friendly with every animal and bird wherever he went. They were his neighbors all his life long.

It is impossible to pick up a single stone without learning something from its composition and history. For eighteen years I have lived upon a small island on Grand Lake in Nova Scotia during the Summer months, and every year I learn something new about trees, foliage, rock formations, birds and flowers. I never get lonely there. I am too busy eyeing about!

All animals and birds seem to fear man, yet when kindly treated and regularly fed, they lose this fear. The red squirrels at my island are tame from year to year. I introduced them to peanuts! Even a pair of young ones showed no fear when I first discovered them, and soon had them as tame as their parents. I wonder if they talk it all over among themselves?

There is a mental and spiritual stimulus to Nature loving, as a hobby. These animals in the wild-land have many of our own characteristics. And the wildest flower offers to us its kindest smile. The more akin we are to Nature the more akin we are to the Creator of all.

HONG KONG MAY BE NEXT BERLIN FOR RED FORCES

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

Britain's crown colony, of Hong Kong off the southeast coast of China is only a pinpoint on the map of Asia, but it could become a mighty cause of strife between England and the Chinese Communists.

The reason is that this famous island through endless centuries belonged to China until John Bull acquired it after winning the "Opium War" between Britain and China in 1839-41. Indications are that the Chinese Communists intend to reclaim Hong Kong and neighboring territory on the mainland—a total of more than 390 square miles.

The London Daily Mail sums up "the danger confronting Britain in China" like this: "The siege in the West is over, bar the shouting, but how soon will the siege in the East begin? Hong Kong may become another Berlin."

British Take Steps

The British government already has taken steps to meet contingencies. Defense Minister Alexander told the House of Commons a few days ago that Britain was sending substantial land, sea and air reinforcements to Hong Kong. This was during a debate on the Communist shelling last month of four British ships along the Yangtze river at a cost of 42 British lives. Alexander added: "While we have scrupulously endeavored to avoid being involved in war on the Chinese mainland, we are no less resolute in our attitude as regards territory for which we hold a direct responsibility."

Hong Kong, with its fine harbor, is one of the great centers of international trade. The colony consists of three parts.

There is the island of Hong King which has an area of 32 square miles and contains the capital city of Victoria. Then there is the neighboring peninsula of Kowloon, a little more than three square miles in size, which was ceded to Britain in 1860 after the Anglo-French war against China. And there are the so-called new territories, containing 359 square miles, which China leased to England for 99 years in 1898.

Defense Is Big Question

Well, now, could Britain defend this possession if the Chinese Communists should make an attack on it in force?

That certainly raises a great big question. Hong Kong is highly vulnerable to attack from the mainland because its large population of something like 1,600,000 is largely dependent on the hinterland for food supplies. It would be difficult to feed a besieged Hong Kong by sea and the operation could only be carried out under cover of big scale naval and air operations.

In short, it strikes us that defense of Hong Kong against an all out Communist attack would involve a major war. That likely would mean another world war. A decision along those lines may be what Britain will be up against.

THE COMMON COLD

The germ that breeds the common cold seems blind to wealth and fame. Alike it treats both young and old. And great and humble name. For when its fiendish work is done The big man's nose will shine, And from it streams of stuff will run, The same as yours and mine.

The cold germ cannot flattered be Or stayed by urgent pleas. The marks of rank which mortals see, The cold germ never sees. The chest adorned with medals bright To prove achievements fine. Will be as wheezy and as tight As either yours or mine.

There are diseases plaguing man The rich alone afford. The private room is costlier than The bed that's in the ward. But when the cold germ knocks men flat, From layman to divine, The sneeze of the aristocrat Sounds just like yours or mine.

5 doctors prove this plan breaks the laxative habit

If you take laxatives regularly—here's how you can stop.

Because 5 New York doctors now have proved you may break the laxative habit. And establish your natural powers of regularity. Eighty-three per cent of the cases tested did it. So can you.

Stop taking whatever you now take. Instead: Every night for one week take 2 Carters' Pills. Second week—one each night. Third week—one every other night. Then—nothing! Every day: drink eight glasses of water; set a definite time for regularity.

Fifty New York doctors proved this plan can break the laxative habit.

How can a laxative break the laxative habit? Because Carters' Pills "unblock" the lower digestive tract and from then on let it make use of its own natural powers.

Further—Carters' Pills contain no habit-forming drugs.

Break the laxative habit... with Carters' Pills... and be regular naturally.

When you're overworking, overwork make you irregular temporarily—take Carters' Pills temporarily. And never get the laxative habit. Get Carters' Pills at any drugstore for 35¢ today. You'll be grateful the rest of your life.

Mrs. Hanson Honored At Tea: Honoring Mrs. Henry W. A. Hanson, Mrs. Charles F. Sanders gave a tea Friday afternoon at her home on Broadway. Apple blossoms and sweet peas were used in decorating the rooms.

Lions Attend Trinity Church Sunday: Members of the Gettysburg Lions club were guests of Rev. N. L. Horn, pastor of Trinity Reformed church, and a member of the club, Sunday evening. A special sermon on Mothers' Day was preached by the Rev. Mr. Horn. The Lions met at the Hotel Gettysburg and marched to the church in a body.

Personal Mention:
C. D. Stalmsmith will go to Cumberland, Md., to attend the annual district convention of the Ancient and Illustrious Order Knights of Malta. He is a delegate from General Meade commandery, of this place.

A daughter was born to Dr. and Mrs. E. A. Miller, Baltimore street, on Saturday.

James E. McCreaf, of York street, now a soldier in the United States Army, has just written his mother here of his safe arrival in the Hawaiian Islands.

Mrs. Mary Justice, of Ardmore, who has been engaged as a hostess by the Quaker Valley Country club, will take charge of the club about May 15.

Empty Building In Record Time: Two hundred and sixty-five pupils of the High Street public school building marched out of the building in one minute and ten seconds, during a fire drill Tuesday afternoon, thereby setting a record which has not been equalled in ten years.

The fire drill was conducted under the supervision of Prof. Lloyd Hartman, principal of the building, and the alarm was sounded without previous notice to teachers or pupils.

LEADER STORE THE
108 Broadway HANOVER, PA.

These prices feature "Extras" that aren't!

If you're price-conscious these days as you shop for new cars, you've probably made a big discovery.

It's important to find out what the price includes—particularly in the normal "spread" between list and delivered prices.

Take these Buick prices given here. All of them, as the panel tells you, cover such universally wanted accessories as radio and antenna, heater and defroster, windshield washers and built-in back-up lights.

These are individually itemized on your bill of sale. Not itemized, but still included in your Buick when you get it, are many things that classify as extra-cost items on many other cars.

For instance, Foamtex seat cushions are an extra value on Buick SUPERS and ROAD-MASTERS that cost you nothing extra. You get direction signals, rear wheel shields, a flexible steering wheel, an air cleaner, an oil filter, a clock—all included in the basic list price. On all ROADMASTERS, these prices even cover Dynaflo Drive as standard equipment, not an extra-cost item.

Included also, of course, are such Buick extra values as Fireball power, which you get nowhere else—all-coil springing, almost an exclusive—the widest rims in the industry—and that very special and desirable solid Buick feel.

So—check the "extras" when you price today's cars. Check the "deal" too, and make sure it's as fair and aboveboard as the Buick sales policy.

We're pretty sure what your conclusion will be when you see what stepped-up production is doing to deliveries. You'll decide "Buick's the buy!"—and get your order in.

ALMOST 5,000 VISIT SHRINE OVER WEEK-END

Gettysburg entertained thousands of visitors over the past week-end, with cooler weather and sunshine bringing out the greatest number on Sunday.

Approximately 4,825 persons visited the battlefield during the two days, according to figures compiled by Vernon F. Lunt, superintendent of the National cemetery.

There were 2,088 visitors on Saturday and 2,737 on Sunday. The total figure for the two days surpassed the previous week-end, when bad weather cut down the number of visitors by approximately 725.

129 Guided Trips
There were 57 guided trips on Saturday and 72 guided trips Sunday, over the battlefield, according to Superintendent Lunt. Eight buses brought 264 persons to Gettysburg Saturday, and 13 buses brought 433 more persons here Sunday.

Travel was extremely heavy on all the main highways through Gettysburg, particularly on Sunday. The rain Saturday reduced the number of visitors from nearer-by points that day, but Sunday, with cooler weather, was ideal for motor trips, and thousands took advantage of it.

State police reported thousands of cars on the highways, and the traffic through Gettysburg was very heavy.

East Berlin Man Forfeits \$50 Bond

Herbert C. Kauffman, East Berlin, failed to appear in York police court Friday after being arrested on a charge of drunkenness and disorderly conduct at 12:45 o'clock Thursday afternoon at Philadelphia and Beaver streets, York. He forfeited a \$50 bond to the city for non-appearance.

According to police, Kauffman was operating his automobile westwardly on Philadelphia street and made a right turn onto North Beaver street when it hit the automobile of Ramona M. Lease, York R. 3, traveling southwardly on Beaver street, and then collided with the parked car of Joseph T. Arigo, York.

Damage to the Arigo car was estimated at \$50 and to the Lease and Kauffman cars, 25 each.

Alderman George Weigle, police magistrate, ordered that Kauffman's bond be forfeited and the case turned over to the district attorney's office for further action.

COUNTY YOUTH IS DELEGATE TO 4-H SESSIONS

Adams county will be especially honored by state and national 4-H officials during the coming summer. The farm of Howard Waybright, Gettysburg R. 1, has been selected by the national 4-H officials as the "home" for a Scot farm youth during May and June, and Thomas R. Murren, 20, Hanover R. 4, has been one of the four delegates to represent Pennsylvania's 23,800 4-H members at the 19th annual National 4-H camp at Washington, D. C., June 15 to 22.

William Watt, 22, Dumbartonshire, Scotland, is the overseas farm youth who will spend the period from May 25 to June 15 at the Waybright farm. He is one of approximately 50 young farmers being brought from overseas to America under an International Farm Youth Exchange program initiated last year. He will be the only one of the group sent to Pennsylvania.

To Visit Kentucky
Watt, after his period at the Waybright farm, will accompany Murren to the national 4-H conference and then will visit a farm in Kentucky under the exchange program. Fifty farm youths from the United States will visit European countries in exchange for the foreign farmers brought here.

Watt resides on an 800-acre farm in Scotland, owned by his father. The farm is divided into 300 acres of arable land and 500 acres of grazing. He looks after a herd of 400 Black Face ewes and an attested Ayrshire dairy herd. He has been an active member of the British Young Farmers, corresponding to the American 4-H clubs, for the past five years.

The exchange is being held yearly to acquaint European farmers with American farm life and to provide American young farmers with an understanding of agriculture in other countries.

Selected For Leadership
Murren and the other three delegates selected to represent Pennsylvania at the national 4-H camp were named because of their "outstanding records in 4-H achievement and in leadership." Allen L. Baker, state 4-H club leader announced today. The camp theme will be on "Know Your Government."

In connection with the farm exchange program, Baker announced that the state's representative in that program, William S. Lefes, 21, of Sharpsville, will spend his period overseas in Switzerland.

NEW PLANS FOR CHURCH SCHOOL BUILDING GIVEN

Plans of the proposed new church school building for Zion Reformed church, Arendtsville, the Rev. Nevin R. Frantz, pastor, were presented to the congregation at a congregational meeting Sunday morning.

Following the presentation of the plans by the pastor, Mrs. Blaine Bushey read the following recommendations of the General Building committee: that the building project be started as soon as possible and that the cost of the building and furnishings be between \$30,000 and \$35,000, the latter figure a maximum; that the proposed new church school building be constructed with a flat roof with provision in its construction for a second-story to be added if and when conditions deem it necessary.

Dale Knouse, chairman of the temporary finance committee, reported an amount approximating \$10,000 on hand to be channeled into the building fund. This amount, he said does not include any of the trust funds now held by the church nor anticipated contributions from members of the congregation through an every-member canvass. Included in the total sum are contributions or pledges from Church School classes, sale of present parish house property, the Sarah E. Hartzell estate, and the balance in the building fund account. Discussion of the proposed plans and these committee reports followed.

Announcement was made of another congregational meeting to be held Sunday, May 22, at 11 a. m. to vote on the recommendations of the General Building committee.

Following a reception in the social rooms of the church the pair left on a wedding trip to Niagara Falls and the Great Lakes. The couple will reside at their newly furnished home near Wrenksville upon their return. Mrs. Taylor will be graduated from Biglerville high school in June. Mr. Taylor was graduated from Biglerville with the class of 1948.

The mothers registered in the SCA building Saturday morning and many of them visited classes with sons and daughters. The May Day exercises, scheduled for 1:30 o'clock Saturday afternoon in Memorial gardens, were postponed for half an hour and held in the gymnasium because of the rain. Chinese Civil War Swirls To Within 17 Miles Of Shanghai

Shanghai, May 9 (AP) — Fighting around Kaiting brought the Chinese Civil War to an area 17 miles north-west of the heart of Shanghai today.

Far to the southwest, Communist armies pressed a twin-pronged offensive along an irregular 230-mile front. This operation extended from the seaport of Hangchow on the east to Lake Poyang on the west. At some places the Red drive had carried 200 miles south of Yangtze.

A Shanghai garrison command communique seemed to indicate the fighting closest to Shanghai was on a small scale. Kaiting is on the Shanghai-Nanking highway seven miles north of the railway between the two cities. Red troops thrusting along the rail line were within 35 miles of Shanghai.

Inside this largest Asian city, the Nationalist garrison ordered Chinese and foreign business firms and some government agencies to turn over 950 trucks and 300 jeeps for "military purposes."

Foreign consulates, including the American and British, were inter-

ceding to try to keep the garrison from commandeering the foreign vehicles. Many American and British firms were hard hit by the order. Some were engaged in essential activities.

The garrison order told owners to deliver the vehicles with drivers, spare tires and tools. Failure to obey, the order said, would be dealt with by law. Since Shanghai is under martial law, offenders could be executed.

The garrison did not give details of the gigantic Communist operations southwest of Shanghai but said the Communists were continuing their drive in Kiangsi and Chekiang provinces.

One drive, the communique said, was toward Nanchang, Kiangsi provincial capital 380 air miles southwest of Shanghai. The other was pointed for Fukien province on the southeast coast just below Chekiang.

(Fukien fronts on the big island province of Formosa which Generalissimo Chiang Kai-shek reportedly has converted into a fortress for a last Nationalist stand.)

DR. WALTEMYER SPEAKS SUNDAY AT ELKS' RITES

The Rev. Dr. W. C. Waltemyer, of the Gettysburg college faculty, urged mothers to "rededicate themselves to the task of building tomorrow's world" at the annual Mother's Day program held by the Elks at the lodge home on York street.

"The home of today builds tomorrow's world," he pointed out, and "The mother is the center and heart of the home. She determines what its life will be."

"Today as never before the church, state and school are aware of their duty to produce better citizens. But the home is more important in training than the other three. Even if all three should succeed and the home fail, then tomorrow will be a dreary world in which to live."

"The Ideal Home"
The ideal home is one where there is recognition and acceptance of mutual responsibility. Once this was not difficult. There were many tasks for youngsters. Today it is difficult to find chores for which youngsters must be responsible, yet the home must find such duties for the children, they must have such responsibility today if they are to be competent, effective citizens of tomorrow.

Basic verities of religion are taught in the home. Reverence begins with the respect children have for parents. Obedience to God grows from the obedience children give to the laws of the home. Faith and love come from the home. How can one have faith and love for God, if he knows not what they mean from not having learned faith and love in the home. Ideas of service to the church, community and state come from ideas of service in the home. If there is no training in service in the home, when will a child begin?"

About 200 attended the program at which Glenn L. Bream, exalted ruler of the local lodge, presided. Attorney Richard A. Brown presented "A Tribute to Mother" and the officers of the lodge presented the Elks ritual honoring Mother.

The 56-voice Gettysburg high school choir under direction of Richard B. Shade sang "Bless Ye the Lord" by M. Ippolitoff Ivanoff; "M-O-T-H-E-R" by Theodore Morse; "Spirit of God" by F. C. Atkinson and "The Lord's Prayer" by Albert Hay Malotte.

Flowers were presented to all who attended the program, red ones to those whose mothers are living and white to those whose mothers were deceased.

Miss Nellie Woodford Williams, 78, who was en route from Florida, where she spent the winter, to her home at Avon, Conn., died suddenly at Lorraine lodge, Lincolnway east, Sunday morning at 3:30 o'clock.

Dr. C. G. Crist, Adams county coroner, investigated and attributed death to a heart attack.

Miss Williams was accompanied on the trip by her niece, Miss Beatrice Oberly.

Surviving is a brother, Arthur P. Williams, Armond Beach, Fla.

The body has been shipped by the Bender funeral home to Avon for services and interment.

COLLEGE BAND GIVES CONCERT SUNDAY EVENING

Twelve regular numbers and three encores were played by the Gettysburg college band at its concert in the Eddie Plank Memorial gymnasium Sunday night, under the direction of Paul A. Harner, band director.

The program opened with the march, "Grandioso," by Seitz, and was followed by the overture, "Il Guirney," by Gomez. The composition, one of the most brilliant in the repertory of concert bands, was adapted from the opera by the same name, and employs the use of Amazon Indian melodies.

A trumpet trio composed of Charles Carlson, Frank Pralley and Kenneth Andrews presented "The Three Trumpeters," by Bainum. Other numbers which followed were "The Wedding of the Roses" by Jessel, and intermezzo characteristic: "Andalucia," from the Spanish suite by that name, by Lecuona; "The Universal Judgment," a symphonic "poem" by DeNardis, which won first prize in a national band contest at Naples in 1878.

FISHING FINES COME TO LIGHT

A picture in the last issue of the Pennsylvania Angler brought to light fishing law violations for which two local men were fined about six weeks ago but which were never revealed by local authorities. The picture was of John S. Ogden with 17 lines he took from one fisherman in Adams county.

Huber Pittenturf, 39 Baltimore street was arrested January 30 by Paul Noel, a special fish warden and prosecuted by John S. Ogden, fish warden for York and Adams counties, for fishing with 17 poles and lines along a county stream. The law allows one fisherman a maximum of two rods and a handline. Late in March Pittenturf paid a \$20 fine and the costs before Justice of the Peace John H. Basehore.

At the same time J. W. Stevens, 317 York street, arrested by Noel and prosecuted by Ogden, was taken before the local justice of the peace where he also paid a fine of \$20 and costs for using four rods at one time.

Another recent fishing law violation in this county was that in which Clinton H. Crowl, Taneytown R. 2, was arrested and fined \$25 and costs by Justice of the Peace Gerald Orndorff, New Oxford, on a charge of fishing in this county with a resident license before he had been a resident for 60 days.

Nelson E. Shultz Forfeits \$14.75 Fine
Nelson E. Shultz, West Middle street, arrested by state police of the Gettysburg substation Saturday evening in Cashtown on a disorderly conduct charge, forfeited \$14.75 in fine and costs to Justice of the Peace Robert P. Snyder today.

Shultz, police said, was standing at the side of the road with a beer bottle in his hand, trying to "flag" a ride. A state policeman gave him the ride—to the county jail. Authorities said he caused trouble in the lockup, which included breaking a window. He paid \$1 for the latter, when he was released Sunday.

NAMED DIVORCE MASTER
Attorney Donald M. Swope was named by the Adams county court Saturday as master in the divorce action brought by Marie V. Mummert, Straban township, against Earl C. Mummert, Hanover.

LICENSED TO WED
Theodore J. H. Eckenrode, Rocky Ridge, Md., and Margaret R. Winebrenner, Fairfield, have secured a marriage license in Frederick.

Florida Tourist Expires At Lodge

Miss Nellie Woodford Williams, 78, who was en route from Florida, where she spent the winter, to her home at Avon, Conn., died suddenly at Lorraine lodge, Lincolnway east, Sunday morning at 3:30 o'clock.

Dr. C. G. Crist, Adams county coroner, investigated and attributed death to a heart attack.

Miss Williams was accompanied on the trip by her niece, Miss Beatrice Oberly.

Surviving is a brother, Arthur P. Williams, Armond Beach, Fla.

The body has been shipped by the Bender funeral home to Avon for services and interment.

POLICE REPORT TWO REAR-END CRASHES HERE

Miss Marie Therese Hamilton, 25, of Wilmington, Del., was charged by state police of the Gettysburg substation with following too closely behind another car Sunday, after she had struck the automobile of Edna V. Cromwell, 38, of Fairfield R. 1, a half mile south of Gettysburg on the Emmitsburg road.

The Cromwell car was proceeding north, and was struck in the rear when it slowed down. Damage to it was estimated at \$5 and to the Hamilton car at \$10. The accident occurred at 10:25 a. m. Miss Hamilton posted \$10 fine and costs with Justice of the Peace Robert P. Snyder which she forfeited by failing to appear today.

Probe Second Crash
Cars operated by Carl Zeigler, Littlestown R. 1, and Frank Kraft, Baltimore, collided on the Baltimore pike at 3:30 o'clock Sunday afternoon. State police said Zeigler slowed down to make a turn into a driveway and Kraft ran into the rear of the Zeigler car. Damage was estimated at \$100 to each car. Investigation is being continued.

Borough police reported that a car driven by William A. Codori, 141 Hanover street, pulled out from the curb on Baltimore street at 12:30 o'clock Sunday afternoon and struck a car driven by David O. Conrad, Wilmington, Del. Damage to Conrad's car was estimated at \$35 and to the Codori car at \$5.

The group placed the containers in Gettysburg in April and collected them within the past few days. The money collected was turned over to Mrs. Joseph E. Cadori, chairman of the cancer unit's current solicitation for funds. The total is now approximately \$2,200. The county quota is \$2,500.

New officers of the Epsilon Delta chapter were installed Tuesday by the retiring president, Mrs. Julius Swope. They are: Mrs. Ray Culp, president; Mrs. Harvey Dickert, vice president; Lorraine Rohrbaugh, recording secretary; Evelyn Snider, treasurer and Esther Geiselman, corresponding secretary.

The organization agreed to suggest names of possible contestants to Miller and Musser.

Mrs. John Welschone and Miss Evelyn Snider presented a program on "The Effects of Words and Action in Everyday Life." Mrs. Welschone used Lincoln's Gettysburg Address as an example of the effect words have while Miss Snider took the life of Susan Anthony to illustrate her talk on the effect actions have.

Miss Dorothy Hamme played these selections on the marimba: "Smoke Gets in Your Eyes," "Four Stick Joe," and "Indian Love Call."

Mrs. Marguerite Good, of Twin Bridges, displayed 15 water color pictures she had made of chiefly local scenes. A social hour followed the meeting in the basement auditorium with members of Circle 2 serving as hostesses. Mrs. Franklin Bigham played "Rockabye Baby" while a baby carriage and a check were presented to Mrs. Clyde R. Brown.

Circle meetings will be held in June and the next Guild meeting will be held in September in the form of a birthday party.

**BAKERY TRUCK
COLLIDES WITH
LOCAL VEHICLE**

A Masemer bakery truck, Hanover, collided with a truck owned by McDermitt brothers, 154 Hanover street, at 8:30 o'clock this morning at Buford avenue and Howard street, according to a borough police report.

John Alvin Green, Hanover R. 3, driver of the bakery truck, was thrown out of the driver's seat, and the impact also caused part of the load of bread and other baked goods to fall on him.

He was uninjured, but before he could stop the truck, it careened across the lawn at the home of Elmer Snyder, 202 Buford avenue, and almost struck an adjoining house.

Faces Code Charge
Police said Green was attempting to pass another automobile and the McDermitt truck. The latter was driven by Walter I. Waganam, Gettysburg R. 1. Green ran into the truck when Waganam made a left turn toward Howard avenue, police said.

Damage to the bakery truck was estimated at \$45, and to the McDermitt truck at \$35. Police estimated damage to the Snyder lawn at \$10.

A charge of passing at an intersection will be filed against Green with Justice of the Peace John H. Basehore, police said.

A charge of failing to yield the right of way will be filed by borough police with Squire Basehore against W. B. Fidler, Aspers R. 1, as the result of an accident in the second block of Breckenridge street at 1:30 o'clock Tuesday afternoon.

Cars operated by Fidler and Howard H. Flickinger, 210 West High street, collided, police said. Damage to Fidler's car was estimated at \$15 and to the Flickinger car at \$25.

**Ask Police To Find
Missing Livestock**

A 200-pound hog of undetermined breed, and a 175-pound heifer have been reported to state police as missing or stolen, and police have been asked to investigate.

The missing porker was reported by Mark Bucher, McKnightstown. The heifer, eight weeks old, brown, with a white forehead was reported by Lloyd Rothaupt, Emmitsburg road.

Both animals were "out to pasture" and may have been missing for several days.

GIANTS' STAFF BIG SURPRISE IN WIN STREAK

(By The Associated Press)
One swallow doesn't make a spring and one week doesn't make a season. But during the past seven days the New York Giants have been as near perfect as a baseball club can be.

Here are some of the amazing feats accomplished by Leo Durocher's men—the team experts predicted would wind up an also-ran because the pitchers would give away more runs than the hitters could manufacture.

Including last night's handy 7-2 triumph over the Chicago Cubs, the Giants have won their last seven starts to take a game and a half lead in the National league race.

During that stretch, Giant pitchers have gone the route in all but one game, and in that one, Sheldon Jones, who went all the way last night was removed for a pinch hitter after allowing only one earned run in eight innings.

In six of the Giants' last seven games, Durocher has used the minimum nine men throughout. Only a pinch hitter and a two-inning relief job by Hank Behrman last Thursday marred a perfect week.

Four-Man System
The club has used a four-man rotating system on the mound throughout the season—Clint Hartung, Larry Jansen, Monte Kennedy and Jones. No other pitcher has started a game. This big four has allowed only 14 runs in the last seven games.

While holding the opposition to two runs per game, the Giants pounded enemy hurlers for 48 during the week.

Last night's homer hitters were Gordon (No. 7) and Marshall (No. 3). Rightey was the big gun, however. He collected a single and double and drove in three runs.

Vern Buckford pitched the Boston Braves into second place, a game and a half behind the Giants, with a three-hit 4-1 triumph over the Pirates.

The Braves got eight of their 10 hits and three runs off Loser Murry Dickson, who also came back last night after failing to finish the last inning Sunday. Marv Rickert and Jimmy Russell paced Boston's attack with three and two hits, respectively.

In an afternoon affair, the St. Louis Cardinals snapped a three-game losing streak by thrashing the Brooklyn Dodgers, 14-5, to move out of the cellar. The loss dropped the Dodgers into third place, a half game behind the Braves.

Yankees Beaten
A pair of rookies—Eddie Kazak and Tommy Glaviano sparked the Redbirds' 15-hit attack against six Dodger hurlers. Kazak, the league's leading batter, rapped out a single and grand slam home run to drive in five runs. Glaviano drove in four mates with a single, double and homer.

The American league-leading New York Yankees, who have been surging through the west in old championship style, received a surprising 4-1 setback by the Tigers in Detroit. Young Ted Gray limited the Bronx Bombers to five hits to out-pitch Vic Raschi.

Dick Wakefield started the Tigers off on a three-run second inning by blasting Raschi's first pitch for a home run. Johnny Lipon's single with the bases loaded furnished the Tigers with two more runs. A single by Johnny Indell followed by Jack Phillips' triple spoiled Gray's shut-out bid.

All other American league teams enjoyed a day off. The scheduled night game between Cincinnati and the Phils in Philadelphia was postponed by rain.

Rain Again Halts Bullets, Diplomats

Rain again washed out the Gettysburg-Franklin and Marshall college baseball game here Monday afternoon.

Today the Bullets were scheduled to meet Mt. St. Mary's at Emmitsburg but showers brought a postponement. On Wednesday at 3 p. m. Western Maryland will be met here.

The team played four and two-third innings Monday when the umpires called a halt to the game.

F. and M. tallied three times in the opening inning off Bill Brown but the Bullets took kindly to the offerings of Froberg and secured a 7-4 advantage at the end of the fourth. The Diplomats scored four times in the top half of the fifth before the game was halted. Rain had started to fall in the third frame and from then on until the finish arguments and ruses to both delay and speed up the game by opposing players marked the abbreviated tussle.

See 10 Starters For Preakness Saturday

Baltimore, May 10 (P)—The makings of a tight horse race for Saturday's Preakness is at old Pimlico today. The cream from the Kentucky Derby is on the grounds ready for the second leg on the triple crown.

Five of the 14 starters at Louisville have arrived and they're enough to assure a crack field for the Preakness.

All that remains now is for the outsiders to come in and determine the size of the field. The best guess now is that it will be around ten. Each starter will throw another \$2,000 into the overall pot, which now stands at \$101,870.

The train from Louisville today brought in Calumet farm's derby winner, Ponder, second place Capot, and Model Cadet, the seventh finisher last Saturday. They joined Palestinian, the derby show colt and fourth place Old Rockport, both of which arrived yesterday.

Eastern League

(By The Associated Press)
The Elmira Pioneers finally took over first place in the Eastern league but today they eyed the rapidly-rising Utica Blue Sox.

The Sox, who dropped their first four starts of the season, busted into fourth place last night. They scored six runs in the ninth to defeat Albany, 9-5.

That defeat combined with Elmira's power-packed 8-3 win over Scranton shook Albany loose from a first place tie. The Elmira's now have a full-game lead over Pinks May's second-place Senators.

In other action, Zeb Wicker pitched a two-hitter as Wilkes-Barre stifled Williamsport, 6-0, and Paul Lalapine southpawed Hartford to a 7-3 decision over Binghamton.

Interstate League

(By The Associated Press)
Relief hurler Jim Duffers stopped a Harrisburg rally after three runs had crossed the plate in the ninth inning last night as the Allentown Cardinals squeezed out a 7-6 decision and moved into fourth place in the Interstate League.

The Allentown-Harrisburg contest was the only game played in the loop last night. Trenton at York was rained out and the other clubs were all idle.

In losing, Harrisburg dropped into seventh place, only a half game out of the basement.

"CONNIE" MACK HAS PITCHING STAFF WORRIES

Chicago, May 10 (P)—Connie Mack is worried.

A pitcher with a sore arm and a rookie hurler he almost shuffled off to Buffalo have produced the only victories scored by the Philadelphia Athletics in the west.

The log shows two victories and four defeats on the current trip. None of Mack's highly rated hurlers has finished a game since the team left Philadelphia.

Bobby Shantz posted one victory over Detroit earlier in the week with his brilliant feat of pitching nine innings of no-hit, no run ball in relief.

Desperate Move
And only 24 hours earlier, Shantz had been optioned to Buffalo in the International league. In fact, the little right hander's automobile still is parked under the grandstand of the Buffalo ball park. He left it there upon receiving a hurry-up call to rejoin the A's before ever donning a Buffalo uniform.

Then on Sunday, Mack showed his desperation over the pitching situation. He called on husky Bill McCahan who hasn't been able to get anybody out for two seasons because of a sore flipper.

He pitched seven innings, and with the help of a little relief work by a sore armed colleague, Dick Fowler, whipped the Chicago White Sox.

"Ask the Doctor"
McCahan, who as a freshman in 1947 pitched a no-hit, no run game against the Washington Senators, held the White Sox to two runs and six hits in his seven innings of work. He had good stuff all the way and now figures prominently in Manager Mack's future pitching plans. He stepped aside in the eighth for a pinchhitter.

Meanwhile, Mack is mulling over the failure of Carl Scheib, a 15-game winner in 1948; Phil Marchildon, on the shelf with an aching shoulder and Fowler with his burnings.

The only regular pitchers the A's really can count on are Joe Coleman and Lou Brissie. While Coleman has lost three games he has showed good stuff and Brissie has been beaten but once in four starts.

Mack has a stock answer for sports writers who telephone for his probable pitcher.

"Ask the doctor."

Sports Roundup
By HUGH FULLERTON, Jr.
New York, May 10 (P)—Tommy Deckard, Drake U. track coach, is plugging Wisconsin's Don Gehrmann as "the greatest middle distance runner this country has produced."

... Could be he's plugging his own Drake relays, where Gehrmann ran a 1:49.5 half mile and then came back less than an hour later to do a 4:13.1 mile. ... But Deckard claims Glenn Cunningham, Don Lash and the other good ones never could accomplish a double like that.

... Herman Barron, winner of the Goodall round-robin golf tournament at match play last year, figures it will be tougher than ever this week when scoring is on a medal basis. He points to a seven he had on one hole, which lost him only three points where it would have been five on the medal scoring.

... In a college tennis match last week, Captain John Penn of Cornell beat John Bucknell of Princeton. ... You'd never see that kind of confusion at Cape Girardeau Teachers'.

BLOTT ON HIS ESCUTCHEON
A husky lineman was limping away from a rugged scrimmage session at Michigan this spring when Line Coach Jack Blott spotted him.

... "What's the matter, son? Legs bothering you?" Blott asked sympathetically. ... The kid clutched his limbs and replied: "Yeah, the muscles are all sore along the back here." ... "That's strange," Jack tut-tutted. "I was watching you. You couldn't have got it from charging too fast; it must be from getting up so many times after that little guard knocked you down."

END OF THE LINE
Guys who saw Art Houtteman pitch batting practice for the Tigers Sunday—his first workout since he was injured in Florida—figure the kid will be in there pitching ball games before very long. ... Tommy Phillips, who has been hitting at a terrific rate for the University of Virginia's baseball team, isn't interested in professional ball. An honor student in a business course, Tommy expects to go into business.

... The U. of Md.'s 450-pound bronze terrapin mascot, which has been swiped 22 times in two years, will be cemented firmly in position in front of the Coliseum. ... Seems unfair to deprive opponents of the exercise they got lugging him around.

Sport Shorts

New York, May 10 (P)—The top ten hitters of the National league presented a strange sight today.

With the exception of Shortstop Alvin Dark of the Boston Braves and not counting Rookie Eddie Kazak of the St. Louis Cardinals, none of the group finished in the charmed .300 circle last year.

Kazak, the infidel with the plastic elbow on his throwing arm, is the batting surprise of the league. Through games of Sunday, May 8 he topped the circuit with a .389 batting average. He cracked out 21 hits in 54 times at bat. That does not include the grand slam homer he hit in Brooklyn yesterday.

Chicago, May 10 (P)—Two rookies, Detroit's Johnny Groth and Chicago's Gus Zernial, are carving the biggest figures in the American league hitting column.

Groth had the top batting mark of .381 among players with 50 or more times at the plate. Zernial was third with .354. He also had notched the most doubles, eight, and had bagged the most hits, 28, along with Hank Majeski and Sam Chapman, both of Philadelphia.

Boston's veteran outfielder, Dom DiMaggio, was second among the busier batters with .365. Groth and DiMaggio had been up 63 times and Zernial 79.

Chicago, May 10 (P)—The Philadelphia Athletics probably have lost the services of Veteran Catcher Warren (Buddy) Rosar for two weeks.

Rosar left the team here last night to return to Philadelphia for treatment of a torn knee cartilage. He suffered the injury to his left knee in the A's 3-2 win over the Chicago White Sox in the second game of Sunday's double-header during a homeplate collision with the Sox' Gordon Goldsberry.

Kansas City, May 10 (P)—After sixty-four years of trying Kid Nichols has scored that "perfect game."

That's the way Charles (the Kid) Nichols, one-time pitching great of the Boston Nationals, feels about his nomination to baseball's hall of fame.

"That makes it perfect for me," the 79-year-old Nichols commented today as he accepted congratulations on joining the all-time list of 56 recipients of the honor.

Phil Pesco, brother of Santa Clara Basketball Coach Ray Pesco, coached his Olympic Junior college team from Bremerton, Wash., to a 32 won two lost record this year.

CO. CHRISTIAN YOUTH COUNCIL HOLDS MEETING

The executive council of the Adams County Christian Youth Council held its first regular meeting on Sunday afternoon in the Gettysburg Reformed church. Representatives from five of the six districts were present.

The devotional service was led by Carol Dolly and Lura Kepner, who are delegates on the executive council from the Second district. Mr. Kepner is also the treasurer for the county council. The theme for the devotions was "Taking the High Way."

The president, William Slee, reported that a letter had been sent to each pastor in the county, in which the program of the Youth Council was outlined and the support of the pastors was requested. It was also reported that the executive committee was in the process of arranging meetings with the officers of the six Sunday School districts, in order to explain the program and organizational set-up to them.

Delegates Report
The president explained the way in which it was hoped, the districts would be organized. He emphasized the fact that a great deal of the burden of organization would rest upon the delegates to the executive council from each district. These delegates were urged to be faithful in their attendance, to seek the aid of the Executive committee whenever such aid is deemed necessary, and to keep alert for opportunities to explain the purpose and program of a county Christian Youth Council.

The four delegates of the executive council to the state youth convention in Lewistown on April 29, 30, and May 1 gave reports of the convention. Ideas to aid in the organization of district councils were presented, as were also some projects for the districts once they become organized.

The executive council voted in favor of a motion to hold a county youth convention in the fall. The executive committee was instructed to begin laying plans for the convention, and to have a report at the next executive council meeting.

Before adjourning, it was announced that the next meeting would be on Sunday, July 10. The council decided to have a box social at that meeting, and tentatively decided on the South Mountain fair grounds as the place. Delegates will be notified by mail.
